

BERNCON GmbH is a Swiss IT company with customers throughout the DACH area. We are a young and innovative company specializing in the latest technologies. As a certified SAP partner, we offer our customers excellent solutions in the technical SAP environment. To strengthen our team, we are looking for another committed developer in Switzerland:

Senior Java Developer

Must-Have

- At least 5 years experience in Java Development, Spring, JSE/JEE, SQL, XML
- Strong Experience with Java in a JEE environment
- Fluent English both written and spoken
- Bachelor's or higher degree in technical field of study

Nice-to-Have

- German language skills
- Experience in Angular
- Experience with agile methodologies (SCRUM, JIRA)

We offer

- Very attractive payment
- Acquire experience abroad
- Working in a challenging international team

Due to Swiss restrictions on work permits, we can only consider applications from Swiss citizens, EU citizens and people with swiss work permits.
